

MARCH FLEET UPDATE

HUGENEWS!!

Flying in the face of dealerships consolidating, downsizing and in even closing, Andrew Simms Mitsubishi is proud to announce that as of April 1 2009 we will add weight to our already successful Mitsubishi business with the Alfa Romeo, Citroen and Fiat franchises. Adding these quite diverse brands expands our portfolio in a very exciting way, giving continental flavour to both entry level, exotic and premium passenger vehicles. As well as this, the impressive range of Fiat Commercial vans gives our customers access to the award winning range of Diesel powered light commercials in the Scudo and Ducato.
