KELCEY ROBERTS & FAMILY FUNDRAISER

In December 2009 - 9 Year old Kelcey Roberts was diagnosed with T-Cell Acute Lymphoblastic Leukaemia.

We have been thinking of a way to fundraise and support Kelcey, Kelvin, Tracey & Maclain Roberts.
We decided on THE BIGGEST LOSER so everyone benefits.
The Contestants listed below are attempting to gain sponsorship for each kg lost or overall winner based % lost . Not only are we trying to lose weight there will be big KUDOS for the most money raised. If you sponsor for % Lost the money will go towards the overall winners fundraising total. Please support us.
All funds towards Kelcey Roberts & Family. Some monies may be proportioned to Child Cancer Foundation also.
First weigh was 11th January. Final weigh in March 31st 2010 with reveal & prizegiving that night. We will keep you posted with updates via Tracey or try
